

- Name: Dr Vikas Sharma
- Designation: Assistant Professor
- Department: Surgical Oncology
- Email: dr.vs8070@gmail.com
- **Educational Qualification:**

S.No.	Degree awarded	Institution	Year
1.	M.B.B.S.	S N Medical College, Agra, U.P, India	2006
2.	M.S. (General Surgery)	G.S.V.M. Medical College, Kanpur, U.P, India	2011
3.	M.Ch (surgical oncology)	Kidwai Memorial Institute of Oncology, Bangalore, Karnataka, India	2017

- **Achievements & Awards:**

1. Best Paper Award for work presented on Minimally invasive esophageal cancer surgery during NATCON 2015, Bhuvneshwar.
2. Best Poster Award for work presented on Sternal tumor resection and reconstruction during ACOS 2016, Delhi.
3. Best Paper Award for work presented on Laser surgery for Laryngeal cancers during IGSNO 2017, Jaipur.
4. Clinical Observership in Gastrointestinal and Hepatopancreatobiliary Oncology at Tata Memorial Center, Mumbai 2016.
5. Clinical Observership in surgical oncology at Cancer Institute (W.I.A), Chennai 2016.
6. International Observership in Hepatopancreatobiliary Oncology at Memorial Sloan Kettering Cancer Center(MSKCC), New York,USA 2019.
7. Fellowship in Minimal Access Surgery (FMAS) Awarded by Association of Minimal Access Surgeon of India (AMASI) in 2018.

- **Publications:**

1. Ashok Shenoy, Vikas Sharma. Transoral laser microsurgery versus RT for early glottic cancer- study at a tertiary cancer centre, International journal of head and neck surgery, January-march 2017;8(1): 15-20.
2. C Ramachanda, Sharma V, S Krishnamurthy, S Ramesh, L Appaji, Rekha V Kumar. Extended right hepatectomy by liver hanging maneuver in an infant with hepatoblastoma. Indian j Surg Oncol (2016). Doi:10.1007/s13193-016-0555-8
3. Nayak PS, C Srinivas, Sharma V. Comparison between minimally invasive And open esophagectomy in cancer Esophagus- experience at a tertiary cancer Centre in india. International journal of Scientific Research: March 2017, vol 6 (3); 189-191.
4. Arjuna R, altaf S, Sharma V, KV veerendra kumar, R yashvant, K harish, CR vijay. A Comparison of postoperative early enteral Nutrition with delayed enteral nutrition in patients With upper gastrointestinal malignancies: a study at Tertiary cancer center in south India. International journal of Scientific Research; March 2017, vol 6 (3); 381-384.
5. Vikas Sharma, S Krishnamurthy. Prognostic Significance of Ratio of Metastatic Lymph nodes (MLNR) to Total Lymph nodes Harvested in Squamous Cell Carcinoma of Esophagus. International Journal of Science and Research (IJSR), Volume 6 Issue 8, August 2017 .
6. Vikas Sharma, Ravi Arjunan, Syed Althaf, K.V.Veerendra Kumar. Breast Cancer In Young Women-A Completely Different Spectrum With Greater Challenges: A Retrospective Analysis At A Tertiary Cancer Center. International Journal of Science and Research (IJSR), Volume 6 Issue 8, August 2017 .
7. Sharma V. Umbilical Discharge and its Management in Adults- Rare Presentation. IOSR;July2014, 13(7), PP 45-48.

- **Presentations:**

1. Paper Presentation- Comparison between minimally invasive and open esophagectomy in cancer Esophagus. NATCON-2015, Bhubaneswar, National Conference, awarded best paper.
2. Poster Presentation- Prognostic Significance of Ratio of Metastatic Lymph nodes (MLNR) to Total Lymph nodes Harvested in Squamous Cell Carcinoma of Esophagus .NATCON- 2016, Jodhpur, National Conference.
3. Paper Presentation- Breast Cancer In Young Women-A Completely Different Spectrum With Greater Challenges .ABSICON-2016, Bengaluru, National Conference.
4. Poster Presentation- Resection and Reconstruction with Titanium Mesh and Pectoralis Major Muscle Advancement flap for Sternal Tumors .ACOS-2016, New Delhi, International Conference, awarded best poster.

5. Paper Presentation- Transoral laser microsurgery versus RT for early glottic cancer .IGSHNO BMCON-IV- 2017 Jaipur, International Conference, awarded best paper.
6. Paper Presentation- Predictors of Survival for Pediatric Hepatoblastoma: IHPBA-2017, Bengaluru, International Conference.
7. Paper Presentation- Outcomes of Radical Surgery for Gallbladder Cancer Patients: A Retrospective Analysis at a Tertiary Cancer Centre in North India, at GB cancer update ,march 2018, Patna.

- **Research Experience:**

1. During MS Surgery- Prospective Study on Palpable Breast Lump, a clinicopathological Study with Special Reference to Multiple Risk Factors.
2. During MCh surgical Oncology- Prognostic Significance of Ratio of Metastatic Lymph nodes (MLNR) to Total Lymph nodes Harvested in Squamous Cell Carcinoma of Esophagus.

- **Areas Of Interest:**

1. Robotic and Laparoscopic cancer surgeries for Gastrointestinal, Urologic, Gynaenaecologic and Thoracic cancers.
2. Hepatopancreatobiliary oncology.
3. Oncoplastic Breast surgery for Breast cancers.
4. Limb salvage surgery for Bone tumors.
