

## Seminar

**Day:** *Wednesday*

**Timing:** *9:00 to 9:45 am*

<b>Head &amp; Neck</b>				
1	30/10/13	Oral cavity	Anatomy including lymphatic drainage, Structures in oral cavity, Epidemiology of oral cavity cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation and Examination of oral cavity cancers.	<b>Presentation by</b> Dr Puja Gupta  <b>Moderator</b> Dr Madhup Rastogi
2	13/11/13	Oro Pharynx	Anatomy including lymphatic drainage, Structures in oropharynx, Epidemiology of oropharyngeal cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation and Examination of oropharyngeal cancers.	<b>Presentation by</b> Dr S S Nanda  <b>Moderator</b> Dr Rohini Khurana
3	20/11/13	Hypopharynx	Anatomy including lymphatic drainage, Structures in Hypopharynx, Epidemiology of Hypopharyngeal cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation and Examination of Hypopharyngeal cancers.	<b>Presentation by</b> Dr Isha Jaiswal  <b>Moderator</b> Dr Rahat Hadi
4	27/11/13	Larynx	Anatomy including lymphatic drainage, Structures in Larynx, Epidemiology of Laryngeal cancers, Radiotherapy planning associated	<b>Presentation by</b> Dr Puja Gupta

			radiological anatomy, Clinical presentation and Examination of Laryngeal cancers	<b>Moderator</b> Prof M L Bhatt
5	04/12/13	Nasal Cavity & Para nasal Sinuses (PNS)	Anatomy including lymphatic drainage, Structures in PNS, Epidemiology of Nasal Cavity & PNS cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation and Examination of Nasal Cavity & PNS cancers	<b>Presentation</b> <b>by</b> Dr S S Nanda  <b>Moderator</b> Dr Madhup Rastogi
6	11/12/13	Nasopharynx	Anatomy including lymphatic drainage, Epidemiology of Nasopharyngeal cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation and Examination of Nasopharyngeal cancers	<b>Presentation</b> <b>by</b> Dr Isha Jaiswal <b>Moderator</b> Dr Rohini Khurana
<b>Breast</b>				
7	18/12/13	Breast	Anatomy including lymphatic drainage Radiotherapy planning associated radiological anatomy	<b>Presentation</b> <b>by</b> Dr Puja Gupta <b>Moderator</b> Dr Rahat Hadi
8	08/01/14	Breast	Epidemiology & Risk Factors Of Breast Cancer	<b>Presentation</b> <b>by</b> Dr S S Nanda <b>Moderator</b>

				Prof M L Bhatt
9	15/01/14	Breast	Clinical Presentation and Examination of Breast & Axilla	<b>Presentation by</b> Dr Isha Jaiswal <b>Moderator</b> Dr Madhup Rastogi
<b>Gynecological</b>				
10	22/01/14	Uterine Cervix	Anatomy including lymphatic drainage, Epidemiology of cervical cancers	<b>Presentation by</b> Dr Puja Gupta <b>Moderator</b> Prof M L Bhatt
11	29/01/14	Uterine Cervix	Radiotherapy planning associated radiological anatomy Clinical Presentation and Examination	<b>Presentation by</b> Dr S S Nanda <b>Moderator</b> Dr Rohini Khurana
12	05/02/14	Endometrium & Ovary	Anatomy including lymphatic drainage, Epidemiology of endometrial & ovarian cancers Radiotherapy planning associated radiological anatomy Clinical Presentation and Examination	<b>Presentation by</b> Dr Isha Jaiswal <b>Moderator</b> Dr Madhup Rastogi

<b>Thorax</b>				
13	12/02/14	Lung	Anatomy including lymphatic drainage, Epidemiology of Lung cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation	<b>Presentation</b> <b>by</b> Dr Puja Gupta <b>Moderator</b> Dr Rohini Khurana
14	19/02/14	Esophagus	Anatomy including lymphatic drainage, Epidemiology of Esophageal cancers, Radiotherapy planning associated radiological anatomy, Clinical presentation	<b>Presentation</b> <b>by</b> Dr S S Nanda <b>Moderator</b> Dr Rahat Hadi
15	26/02/14	Mediastinum & Trachea	Anatomy including lymphatic drainage, Structures in mediastinum, Epidemiology Radiotherapy planning associated radiological anatomy, Clinical presentation	<b>Presentation</b> <b>by</b> Dr Isha Jaiswal <b>Moderator</b> Prof M L Bhatt

**Dr Madhup Rastogi**  
Associate Prof  
Coordinator

**Dr M L Bhatt**  
Prof & Head
